WORKED HARD FOR ANNEXATION.

Thurston Labored Earnestly and Per-
sistently to That End.

OBJECTIONS OF THE PRESIDENT.

Any Treaty or Argument Drawn Up Must
Concede That the Conditions of Labor
in Hawaii Shall Not Be Disturbed.
Conferences—McLean in Command.

NEW YORK, June 1.—A special to
the Tribune from Washington says:
Interesting information relating to
some unpublished views of the presi-
dent respecting Hawaiian affairs has
been obtained from an official source.
It appears that Thurston, while Ha-
waiian Minister to Washington, even
in the face of constant discouragement,
tried zealously to bring the adminis-
tration to a realization of the many
advantages that would accrue to the
United States through annexation.

He labored earnestly and persist-
ently with this object in view and
there were frequent conferences be-
tween himself and Secretary Gresham
at the State Department on the sub-
ject. The arguments brought out
were communicated to the president,
from whom Secretary Gresham re-
ceived instructions from time to time.

From the start the president was
opposed to annexation. He wanted
the Secretary of State to be in hearty
accord with his views. Through
Gresham he made known his opposi-
tion to Thurston. His arguments,
and those made by the Secretary of
State, were ably met by Thurston,
and finally the discussions eliminated
all but two serious objections.

First, the president held to the view
that it was not good policy for the
country to acquire what might be re-
garded as foreign territory, however
great and many would be the ad-
vantages following the annexation of Ha-
waii. It was, no doubt, a valuable
possession in many ways. As a mili-
tary or naval outpost it was impor-
tant; besides, it was on the road of
travel to the Orient, and therefore des-
tined to figure prominently in future
commercial questions arising in that
quarter.

These points and many others the
president and Mr. Gresham conceded,
but the abstraction that the country
should not hold territory lying outside
its present eastern and western bound-
aries stood in the way of any course
looking to the acquisition of the is-
lands.

The president's second objection re-
lated to the presence in Hawaii of
what he termed a large undesirable
alien element. My informant, in
speaking of the interview which took
place between Thurston and Secretary
Gresham, made the remark that the
ex-Minister at no time consented that
in the event of annexation any change
in the relation of the aliens in his
country could be brought about.

It was said that Thurston insisted
that if the republic became part of the
United States it must be under exist-
ing conditions in this respect, and an
agreement to that effect would have
to be the basis of any convention en-
tered into. It has been believed that
the position of Hawaii was the oppo-
site of this, and that she was ready
for annexation under such conditions
as this country might impose. The
speaker said he had heard the point dis-
cussed several times, and Thurston had
constantly maintained the position
that any treaty or other agreement
drawn up must concede that the con-
ditions of labor in Hawaii must not
be disturbed.

Col. McLean in Command.

INDIANAPOLIS, Ind., June 1.—A pri-
vate letter from Honolulu, under date
of May 20, printed in the News to day,
says, among other things, that Mc-
Lean, late of the United States army
and navy, who had charge of General
Grant's funeral procession, has been
made colonel of the Hawaiian regi-
ment.

He arrived on the last boat and took
charge at once. He is regarded by the
troops as thoroughly military, and
has made some radical changes and
inaugurated a course of strict disci-
pline which has heretofore been rather
lax.

The letter adds that there are lots of
rumors afloat on the island of a flib-
ustering expedition that is supposed
to be on its way down to the island, or
else getting ready to come. The Gov-
ernment has hired a steamer, placed a
cannon on board, and has it patrolling
around the islands watching for any
suspicious vessels that come in sight.

Minister Matt Ransom is returning
from Mexico, and there is some sur-
mise that he may be offered the posi-
tion of Secretary of State.

CABINET CHANGES IN JAPAN.

Popular Clamor Will Cause Count
Ito's Immediate Retirement.

FORMOSA DELIVERED TO JAPAN.

Proposition Made By the Powers Regard-
ing Corea-Chinese Slaughtering Japs
in Shinking—Record of Cholera and
Army Statistics—China-Corea Treaty.

TOKIO (Japan), June 1.—The popu-
lar expectation of ministerial changes
in Japan grows stronger every day.
Although nothing has yet happened
to prove that Count Ito contemplates
an immediate retirement, his early
disappearance from the political stage
is regarded as a certainty, and the at-
tention of the official class is directed
chiefly to questions bearing on the
succession.

Reports are received from Kioto
that Count Yamagata will be request-
ed to form a cabinet, and that the
position now held by Viscount Mutsu
will be tendered to Viscount Aoki, the
present Envoy to Germany, or to
Count Okuma.

Formosa Handed Over.

SHANGHAI, June 5.—Li King Fang
returned here last night, the formal-
ties for handing over Formosa, be-
tween the respective commissioners,
having been effected in a Japanese
man-of-war.

YOKOHAMA, June 5.—Russia, France
and Germany made a few days ago,
an important proposition to the Ja-
nese government with regard to
Corea, but what reply the latter made
is not yet known.

Chinese Killing Japs.

BAKIN, June 4.—In places from
which the Japanese troops have with-
drawn, in Shinking, the Chinese sol-
diers are committing depredations and
have killed many people connected
with the Japanese troops in the vicin-
ity of Hsueh-li-tien.

New Treaty and Officials.

YOKOHAMA, June 5.—Lord Li King
Fang, son-in-law of Li Hung Chang,
is said to have been appointed as the
Envoy Extraordinary and Minister
Plenipotentiary to Japan.
The treaty now existing between
China and Corea will be revised at no
distant date. It is reported that the
new treaty will be negotiated in
Tokio between the respective minis-
ters, and therefore the Corean Em-
bassy to be sent to Japan will be
vested with the plenary powers.

War and Cholera Reports.

YOKOHAMA, June 5.—According to
official returns, the casualties in the
army, exclusive of the navy and
coolies, since the outbreak of the war
in July last year, up to April this
year, were as follows: Killed, 638;
died from wounds, 180; died from dis-
eases, 1,417; died from other causes,
42; missing, 24; total, 2,301.
Up to May 31st there were 735 cases
of cholera since the outbreak this year,
180 resulting fatally.

CHICAGO POLICE.

Important Changes Affecting Three
Hundred Officers and Men.

CHICAGO, May 31.—Never before in
the history of the city has occurred
such a shaking up of the Chicago po-
lice force as that which will take
place at 7 o'clock tomorrow morning
by virtue of general order No. 16, is-
sued this evening by the chief. More
than 300 officers and men are dis-
missed reduced or transferred by Chief
Badenoch's order. Besides cutting
down the Irish contingent, it brings
the department expenses within the
appropriation by abolishing one in-
spector, two captains, three lieuten-
ants, twelve sergeants, and reducing
the detective force at the central sta-
tion from 136 to sixty men.

The most important change is that
one retiring Captain John Shea. For
a number of years he has held the
office of inspector and chief of detec-
tives, and has been to Chicago what
Inspector Byrnes was to New York.
There was nothing in particular the
matter with Shea except his national-
ity, yet Chief Badenoch abolished
the old office of Captain Shea entirely
and transferred him from the central
station to the West Side to succeed
Inspector Lewis, who, with Acting
Assistant Superintendent Joseph Kip-
ley, has been retired on a pension.

Captain Kane, another Irishman of
the Deering street station, is sum-
marily dismissed. Captains Byrne
and Duffey tendered their resigna-
tions, which were accepted. Horace
Elliott, an American, is reinstated as
captain, and will have charge of the
detective bureau at the City Hall,
under the supervision of Inspector
Fitzpatrick of the First district. Ex-
Captain Shippey is reinstated and as-
signed to the Woodlawn station. The
detective bureau loses about forty
men, twenty of whom are dismissed
and others are sent to ordinary patrol
duty.

Royalists Not Content With Beefsteaks,

The Hawaiian exiles are work-
ing hard to create sympathy for
themselves and the royalist cause.
Almost every day San Francisco
papers contain some statements
from members of the colony.

P. M. Rooney, of Holomua fame,
recently executed a statement re-
garding his connection with the
January insurrection, arrest, incar-
ceration and subsequent release on
condition that he leave the coun-
try. The San Francisco Call, the
avowed, bitter and unscrupulous
opponent of the Hawaiian Repub-
lic, prints in its issue of June 2d
the following statement of Rooney:

I, P. M. Rooney, an American
citizen, I was born in Dutchess
county, State of New York, in 1849;
arrived in California in 1868; resided
at Lincoln, Placer county, until 1879.
I then went to the Hawaiian Islands
and became engaged in the sugar busi-
ness, during which time I was for
several years the chief overseer of the
large Spreckelsville
